

Junior Age Definition and Age Playing Policy

The following information is provided to inform junior families of how a player's playing age group is determined, and how the club administers this accordingly.

1. Under RDFL Rule 6.3 (RDFL Football By Laws – February 2010), the determination a junior player's age division eligibility, his/her age is taken as at 1st of January of that season. eg, If the player turns 10 on 15th July 2010, then as at 1st January 2010 they were under 10 years of age, hence they would eligible by age to play in the Under 10 age division.
2. Based on the above understanding of junior players' age eligibility, it is club policy that all players will play in their correct age division.
3. Variations to this will only be approved if the circumstances under which approval is sought are considered exceptional. Any requests must be put in writing to the Vice President - Junior Operations.
